| Piedad Garcia  | HHSA                               | Mental Health  |   |

## RCCC INFORMATION FOR NOMINATIONS

### STEERING COMMITTEE 2013-2014

---

#### RCCC Current Seats vs. HUD HEARTH Board Designations

*HEARTH Interim Rules – page 21 “HUD requires two characteristics for all board compositions.”*

- 1) Representative of the subpopulations of homeless persons that exist within the geographic area
- 2) Include a homeless or formerly homeless person

*Interim Rule: Introductory Guide, page 5 says, “The CoC Program Interim Rule requires that CoC Boards must”:*

- 1) Include at least one homeless or formerly homeless individual
- 2) Represent the relevant organizations and projects serving homeless subpopulations within the CoC geographic area (such as substance abuse disorders; persons with HIV/AIDS; veterans; chronically homeless; families with children; unaccompanied youth; the seriously mentally-ill; and victims of domestic violence, dating violence, sexual assault and stalking).

| HEARTH   | RCCC Current Seats  |
|--|---|
| Families With Children                                   | Families with Children; Domestic Violence   |
| Substance Abuse Disorders                                | (missing currently, only dually diagnosed)  |
| Seriously Mentally Ill                                   | Mentally Ill  |
| Veterans   | Veterans  |
| Un-Accompanied Youth                                     | Youth (and Child-Only Households)   |
| Chronically Homeless                                     | (had previously, currently only PSH, MHSA)  |
| HIV/ AIDS  | HIV/ AIDS   |
| Victims of Domestic Violence                             | Single Women (DV included with families)  |
| Victims of Sexual assault, dating violence, and stalking | (subcommittee on sexual and commercial exploitation – human trafficking but no Steering Committee seat) |
|  | Ex-Offenders  |
|  | Seniors   |
|  | Farmworkers   |
|  | National Organization   |
|  | Lead Agents   |

Notes: Based on this comparison, the RCCC Steering Group is missing representatives for persons with substance abuse disorders; chronically homeless; and sexual exploitation but does include representatives of other subpopulations that are found within our area. We also do not have representation for physically disabled, or LGBT subgroups which are also known to be within the CoC geography.
